

What is the South Central Local Schools Endowment Fund?

The South Central Local Schools Endowment Fund organization was established in 2000 to provide a permanent and stable source of funding to enhance the educational process and programs throughout the South Central Local School District. The Endowment Fund presently consists of two funds—Ruth C. Templer Education Fund and the General Endowment Fund (including student scholarships and grants). The South Central Local Schools Endowment Fund is governed by a Board of Trustees appointed by the South Central Local School District Board of Education.

Money donated to the Endowment Fund is invested with The Community Foundation of Greater Lorain County where it is pooled with nearly 400 charitable funds. Donations are invested, and the income earned on each fund is used to make grants.

From the Ruth C. Templer Education Fund, the Board of Trustees distributes one renewable (up to four years) scholarship annually to one graduating senior in pursuit of a degree from an accredited four year college or university. This adheres to the last will and testament of Ruth C. Templer, a life-long educator in the Greenwich Schools System. In the past 6 years, the Endowment Fund has awarded \$35000 in scholarships.

A gift to the South Central Local Schools Endowment Fund continues to give for generations. Donations are encouraged throughout the year and are tax-exempt as allowed by law. All donations are deposited with The Community Foundation of Greater Lorain County who oversees and manages the Funds. The following donation methods are all acceptable and greatly appreciated:

- ☛ Checks made payable to South Central Local Schools Endowment Fund
- ☛ Payroll Deduction
- ☛ Matching Company Gifts
- ☛ Memorial, Honoraria, or Deferred Gifts
- ☛ Incremental Gifts

**The Community Foundation of
Greater Lorain County**

Founded in 1980, The Community Foundation of Greater Lorain County holds over 350 funds and is currently the 10th largest Community Foundation in Ohio. The Community Foundation is governed by a diverse group of community representatives intent upon making Lorain County a great place to live and work. Grants and scholarships help to meet the challenges facing the community today and, at the same time, plan for future needs.

The Community Foundation of Greater Lorain County is proud to be the first of its kind in the United States to offer services to school endowment funds. Since 1982, grants from school endowment funds from each district in Lorain County have provided numerous opportunities to enrich our children. In 19XX, the Foundation has expanded to include Huron County schools.

Because only a portion of the investment income is used for grantmaking while the principal stays untouched, making a contribution to the School Endowment Fund or any other endowed fund at The Community Foundation ensures that your gift will last forever.
